ABOUT US

The Russellville School Foundation is an independent non-profit tax-exempt organization that provides supplemental funding to support academic excellence for students, teachers, and school administrators of the Cole R-1 School District.

The Foundation awards grants to fund educational projects and school activities that may not otherwise be supported by the school district due to limited financial resources.

The Foundation also supports programs and initiatives that align with the Cole R-1 School District's priorities.

OUR VISION

is to enhance learning opportunities for the students of the Cole R-1 School District.

QUESTIONS

Q: Why does Cole R-1 School District need a foundation?

A: The purpose of the Foundation is to provide funding for worthwhile programs and events that are beyond the scope of the general operating budget of the school system.

Q: How does the Foundation work with the Board of Education?

A: The Foundation and the Board of Education are two separate entities working toward the same goal; Expecting Excellence. However, in order to ensure communication between both Boards, the Superintendent and a school board member will serve as non-voting (ex officio) members of the Foundation Board.

Q: How will the Foundation spend money?

A: Educators will complete an application which will provide the information for the Foundation Board to make a decision on the funding of projects.

OUR MISSION

is to support academic excellence by providing learning opportunities for students, teachers, and administration through private donations and gifts.
