## QUESTIONS

- Q:** Why does Cole R-1 School District need a foundation?
- A:** The purpose of the Foundation is to provide funding for worthwhile programs and events that are beyond the scope of the general operating budget of the school system.
- Q:** How does the Foundation work with the Board of Education?
- A:** The Foundation and the Board of Education are two separate entities working toward the same goal - **Expecting Excellence**. However, to ensure communication between both Boards, a school board member and the Superintendent serve as non-voting (ex officio) members of the Foundation Board.
- Q:** How will the Foundation spend money?
- A:** Educators complete an application which provides the information the Foundation Board uses to decide on projects that need funding.

## OUR MISSION

is to support academic excellence by providing learning opportunities for students, teachers, and administration through private donations and gifts.
